

MAXTON PANEL

SMALL ENOUGH TO LISTEN
BIG ENOUGH TO DELIVER

MAXTON #1 LUX SUPPLIER

Lux Architectural Panels offers clients a bold, timeless, durable product that is a 24 gauge Galvalume steel in 37 incredible colors. We know because we were the first to bring this affordable luxury product to the Okanagan. Not only do we provide each client with premium service, we also provide you with superior technical support. No one in the Valley knows and understands the LUX product better than Maxton Panels affording you not only the best service BUT also the BEST pricing (we won't be beat). With our knowledge, our dedication and our NO beat price, why would you go anywhere else? We are small enough to listen but BIG enough to deliver.
