PRIVACY. PRIVACY. PRIVACY.

Maxton Panels is proud to offer fencing, whether that's a **privacy screen** to **enhance the look of your project** or a **privacy fence** to create your own quiet oasis.

Choose from wood composite, corrugated or metal panels. We're here to help you create your own quiet space.

Our fence posts and rails are made from black powder coated aluminum. All other components to our fence system are made with aluminum. The panel boards are made from recycled plastic and wood fibre, giving it superior longevity and a natural appearance.

Durable for Outdoor Projects

UV resistant, weather resistant and structurally stable in any climate.

Modern, Clean Design

Maxton offers some of today's most advanced fence designs for a modern look that won't go out of style.

Eco Friendly

Our products are made from recycled materials and contain no harmful elements or heavy metals.
